12 DRAFTING NOTICES

DEPARTMENT OF HEALTH AND ENVIRONMENTAL CONTROL CHAPTER 61

Statutory Authority: 1976 Code Sections 48-1-10 et seq.

Notice of Drafting:

The Department of Health and Environmental Control (Department) is proposing to amend Regulation 61-62, *Air Pollution Control Regulations and Standards*, and the South Carolina Air Quality Implementation Plan (State Implementation Plan or SIP). This Notice of Drafting supersedes the previous Notice of Drafting for proposed amendments to R.61-62 published in the March 27, 2015, State Register. Interested persons are invited to present their views concerning these amendments in writing to Marie F. Brown, Air Regulation and SIP Management Section, Bureau of Air Quality, 2600 Bull Street, Columbia, SC 29201, or via electronic mail at brownmf@dhec.sc.gov. To be considered, the Department must receive comments by 5:00 p.m. on June 22, 2015, the close of the drafting comment period.

Synopsis:

The United States Environmental Protection Agency (EPA) promulgates amendments to the Code of Federal Regulations throughout each calendar year. Recent federal amendments to 40 CFR Parts 51, 52, 60, 61, 63 and 70 include clarification, guidance and technical amendments regarding state implementation plan (SIP) requirements, New Source Performance Standards (NSPS), National Emission Standards for Hazardous Air Pollutants (NESHAP), National Emission Standards for Hazardous Air Pollutants (NESHAP) for Source Categories, Title V Operating Program, and revisions to testing methods.

The Department proposes to amend: Regulation 61-62.60, South Carolina Designated Facility Plan and New Source Performance Standards, Regulation 61-62.61, National Emission Standards for Hazardous Air Pollutants, and Regulation 61-62.63, National Emission Standards for Hazardous Air Pollutants (NESHAP) for Source Categories, to incorporate by reference recent federal amendments promulgated from January 1, 2014, through December 31, 2014.

The Department also proposes to amend Regulation 61-62.70, Title V Operating Program, to codify federal amendments to these standards. On July 28, 2014 (79 FR 43661), the EPA published a final rule in the Federal Register entitled Amendments to Compliance Certification Content Requirements for State and Federal Operating Permits Programs, which replaced a sentence that was inadvertently removed from the rule. This federal amendment to 40 CFR Part 70 and 71 amends the compliance certification requirements for state and federal operating programs that were published in the Federal Register on June 27, 2003. This action restores the sentence to its original location in the federal rule. This final rule became effective on August 27, 2014.

The Department may also propose other changes to Regulation 61-62 that may include corrections for internal consistency, clarification, reference, punctuation, codification, formatting, and spelling to improve the overall text of Regulation 61-62 as necessary.

In accordance with 1976 Code Section 1-23-120(H), legislative review is not required because the Department proposes promulgating the amendments to maintain compliance with federal law.

Statutory Authority: 1976 Code Section 12-4-320

Notice of Drafting:

The South Carolina Department of Revenue is considering amending SC Regulation 117-307.1, which provides examples of the application of the sales tax imposed on various charges by hotels, motels, and similar facilities to transient customers. Code Section 12-36-920(A) imposes a 7% sales tax on accommodations on the gross proceeds of rentals of rooms or lodgings provided by hotels, motels, and similar facilities; and Code Section 12-36-920(B) imposes a sales tax on certain “additional guest charges”.

Effective July 1, 2014, Act 172 of 2014 amended Code Section 12-36-920(B) to limit additional guest charges to room service, laundering and dry cleaning services, in-room movies, telephone service, and rentals of meeting rooms; and amended Code Section 12-36-920(A) to provide that separately stated optional charges on a bill to a customer for amenities, entertainment, special items in promotional tourist packages, and other guest services are exempt from the 7% sales tax on accommodations.

The purpose of this regulation proposal is to revise the provisions of SC Regulation 117-307.1 to comply with Act 172 of 2014, which limited the sales tax on additional guest charges to room service, laundering and dry cleaning services, in-room movies, telephone service, and rentals of meeting rooms, and to inform the public of the impact of the new legislation. Additional questions were added to address room refreshment bars, safes, and other issues. The information in the regulation is consistent with the department’s position, as expressed in SC Revenue Ruling #14-5. The amendment would be effective July 1, 2014, which is the effective date of the new legislation.

Interested persons may submit written comments to Meredith F. Cleland, South Carolina Department of Revenue, Legislative Services, P.O. Box 125, Columbia, SC 29214. To be considered, comments must be received no later than 5:00 p.m. on June 23, 2015.

 CHAPTER 61
 Statutory Authority: 1976 Code Section 44-1-140(7)

61-50. Natural Public Swimming Areas

Preamble:

On June 22, 2012, Regulation 61-68, *Water Classifications and Standards*, was amended. The amendment changed the bacteriological water quality indicator used to determine water classifications from fecal coliform to E. coli. The purpose of this proposed amendment is to revise R.61-50 to change the bacteriological water quality standard from fecal coliform to E. coli so that R.61-50 is consistent with R.61-68.

A Notice of Drafting for the Department’s adoption of these federal regulations was published in the February 27, 2015 *State Register*. The Department received no public comments.
