2. ~~In all determinations of reasonable accommodation,~~ Public safety and the health, safety, and security of all inmates and staff shall remain the overriding considerations in determining what constitutes a reasonable accommodation.

(b) The department need not take an action to provide accessibility to a service, program or activity if the action would impose or require:

The final decision that compliance with the requested accommodation would result in an undue financial or administrative burden or a fundamental alteration of the nature of a service, program, or activity shall be made by the Secretary or his or her designee after consideration of all resources available for use in the funding and operation of the service, program or activity. The final decision must be accompanied by a written statement of the reasons for reaching the conclusion. (e) Equally Effective Means. A request for a particular accommodation shall be denied if equally effective access to a program, service, or activity can be afforded through an alternate method which is less costly or intrusive. Alternative methods that are less costly or intrusive to the existing operation or program shall be utilized to provide reasonable access in lieu of modifications requested by the inmate so long as they are equally effective.

(f) A request that does not present a violation of Title II of the ADA does not qualify as an ADA issue and will be returned without action ~~denied as not qualifying as an ADA issue.~~

(5) Complaints and Accommodation Appeals. Inmates who have a complaint alleging a violation of the Americans with Disabilities Act or who want to appeal the denial of a request for accommodation shall follow the guidelines set forth in Chapter 33-103, F.A.C.

(6) Auxiliary Aids and Services. The Department will provide inmates with auxiliary aids and services whenever necessary to ensure equal access to programs, services, or activities offered by the Department. When an auxiliary aid or service is deemed necessary to provide an inmate with an equal opportunity to participate in a program, service or activity, it shall be provided at the expense of the department.

~~(7) Health Care Appliances.~~

~~(a) Prescription and approval.~~

~~1. A physician or clinical associate shall prescribe and approve health care appliances for eligible inmates if these devices meet medical necessity, safety, and security requirements. Health care appliances include orthopedic prostheses, orthopedic braces or shoes, crutches, canes, walkers, wheelchairs, hearing aids, and other items which are necessary to accommodate the inmate's needs.~~

~~2. If security staff denies a health care appliance to an inmate for safety or security reasons, the Chief of Security, or his or her designee, shall immediately consult with the Chief Health Officer, or his or her designee, to determine necessary action to accommodate the inmate's needs.~~

~~3. Accommodations shall include modifying the appliance or substituting a different appliance, at the department's expense, as long as its function is equivalent or superior. Such modification or substitution shall instead be the responsibility of the department's Comprehensive Health Care Contractor (CHCC) if the contract between the department and its CHCC so provides.~~

~~(b) Possession of Health Care Appliances.~~

4- Health care staff shall identify health care appliances as property of the inmate and appropriately document them as such in accordance with Rule 33-602.201, F.A.C.

2- Any health care appliance the disabled inmate has properly obtained while in the department's custody shall not be removed unless there are legitimate documented safety or security reasons.

3- Health care appliances shall be removed if a physician or dentist determines that the appliance is no longer medically necessary or appropriate.

~~(e) Maintenance of Health Care Appliances. It is the joint responsibility of the department, or, if provided in contract, its CHCC, and the inmate to maintain all health care appliances in good repair and operation. When an appliance is in need of repair or replacement, the inmate shall notify staff of his or her needs by a medical call out or a request to see a doctor.~~

~~1. Department staff, or, if provided in contract, its CHCC's staff, shall schedule the inmate for an appointment and evaluate the condition of the appliance.~~

~~2. Once the need for repair or replacement is verified, the inmate shall be issued an appropriate appliance or accommodation.~~

(8) Educational and work programs. Inmates with disabilities shall have the opportunity to participate in educational and work programs.

(a) Inmates shall be evaluated to participate in an educational or work program on a case-by-case basis.

(b) Eligibility to participate in any program is dependent on the inmate's ability to perform the essential functions of the program with, or without, reasonable accommodation and on meeting the department's requirement for the program.

(9) Visiting. Inmates with disabilities will be provided reasonable accommodations for purposes of visitation.

Section II Proposed Rules

DEPARTMENT OF EDUCATION

State Board of Education

RULE NO.: RULE TITLE:

6A-2.0020 Eligibility for Charter School Capital Outlay

PURPOSE AND EFFECT: To conform to changes in House Bill 7069 (2017) and House Bill 7055 (2018), and revise the charter school eligibility criteria for capital outlay funds.

SUMMARY: The proposed rule revises the eligibility requirement to be considered part of an expanded feeder chain, the accreditation associations accepted for capital outlay eligibility, and the date by which the department must receive proof of a charter school's official accreditation. This proposed rule also adds the requirement for sponsors to distribute discretionary millage authorized in Section 1011.71(2), F.S., according to the provisions in Section 1013.62, F.S. and clarifies the requirement for charter schools to include all revenues in monthly or quarterly financial statements.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION:

The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has not been prepared by the Agency.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: The proposed rule will have no regulatory cost and no negative economic impact and will not require legislative ratification. This amendment clarifies the eligibility requirements for charter school capital outlay.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

Director, Department of Education, 325 West Gaines Street, Suite 1044, Tallahassee, FL, 32399, (850)245-0502, adam.emerson@fldoe.org.

THE FULL TEXT OF THE PROPOSED RULE IS:

6A-2.0020 Eligibility for Charter School Capital Outlay.

The following provisions are established for the determination of eligibility of charter schools pursuant to Section 1013.62, F.S. Except as expressly provided herein, proof of eligibility requirements must be provided to the Department by July 1 of the fiscal year for which the charter school seeks funding. The continuation of funding is dependent upon maintaining eligibility requirements during the fiscal year.

(1) A charter school may be considered a part of an expanded feeder chain under Section 1013.62, F.S., if it either sends or receives a majority at least sixty (60) percent of its students directly to or from a charter school that is currently receiving capital outlay funding in the same fiscal year for which the charter school seeks funding. A charter school must submit an application by the deadline in paragraph (7)(a), of this rule. The Department shall determine eligibility by applying the feeder chain criteria in Section 1013.62(1)(a)1.c., F.S., to the fiscal year's data from the October full-time equivalent (FTE) student enrollment survey conducted pursuant to Section 1011.62(1)(a), F.S., in the same fiscal year for which the charter school seeks funding. The Department shall calculate the funding amount associated with a school for which enrollment projections are estimated to meet the feeder chain eligibility criteria and shall distribute funds generated by the formula in Section 1013.62, F.S., upon proof of an expanded feeder chain from the October FTE student enrollment survey data.

(2) Pursuant to Section 1013.62(1)(a)1.d., F.S., charter schools that have been accredited by a regional accrediting association as defined by the State Board of Education ~~the Commission on Schools of the Southern Association of Colleges and Schools~~ may be eligible for charter school capital outlay. Proof of accreditation by a regional accrediting association ~~the Southern Association of Colleges and Schools Commission on Schools~~ must be delivered to the Department by the deadline established in paragraph (7)(a), for the fiscal year for which the charter school seeks funding to meet the eligibility requirement in Section 1013.62(1)(a)1.d., F.S. The continuation of funding is dependent upon maintaining accreditation during the current fiscal year. A charter school anticipating accreditation during a fiscal year shall include documentation of application for accreditation. The Department shall estimate the funding amount associated with a charter school anticipating accreditation during the fiscal year and distribute funds generated by the formula in Section 1013.62, F.S., upon proof of final accreditation, if proof of accreditation

for the school year is received by the Department by ~~December~~ April 1 of the fiscal year for which the charter school seeks funding. If the Department does not receive proof of a charter school’s official accreditation by ~~December~~ April 1, the charter school shall be determined ineligible for that fiscal year.

(3) No change.

(4) Satisfactory student achievement under Section 1013.62(1)(a)3., F.S., shall be determined by the school’s most recent grade designation or school improvement rating from the state accountability system as defined in Sections 1008.34 and 1008.341, F.S. Satisfactory student achievement for a school that does not receive a school grade or a school improvement rating, including a school that has not been in operation for at least one school year, shall be based on the student performance metrics in the charter school’s charter agreement. Allocations shall not be distributed until such time as school grade designations are known.

~~(a) For the 2016-17 school year, a charter school that receives a grade designation of “F” shall not be eligible for capital outlay funding.~~

~~(a)(b) Beginning in the 2017-18 school year, Aa~~ charter school that receives a grade designation of “F” or two (2) consecutive grades lower than a “C” shall not be eligible for capital outlay funding.

~~(b)(c) Beginning in the 2017-18 school year, Aa~~ charter school that receives a school improvement rating of “Unsatisfactory” shall not be eligible for capital outlay funding.

(5) through (6) No change.

(7) Pursuant to Section 1013.62(5), F.S., the procedures for submitting and approving an application for funding and the procedures for documenting expenditures, are as follows:

(a) Charter schools must submit an application using form IEPC-CO1, Charter School Capital Outlay Application, effective August 2018 ~~April 2017~~ (<http://www.flrules.org/Gateway/reference.asp?No=Ref-08085>), which is hereby incorporated by reference in the rule, which may be accessed through https://www.floridaschoolchoice.org/login/login_charter_school.asp. The application may be obtained by contacting the Office of Independent Education and Parental Choice, 325 West Gaines Street, Suite 1044, Tallahassee, Florida 32399-0400. The Department will accept hard copy versions of the application. Hard copies should be sent to 325 West Gaines Street, Suite 1044, Tallahassee, Florida 32399. The charter school shall include the purpose for which the funds will be expended. The Department shall review the application, determine eligibility, and direct the allocation and distribution of such funds in accordance with that determination.

(b) The Sponsor shall forward state appropriated capital outlay funds such funding pursuant to the provisions of Section 1002.33(17)(e), F.S., to any charter school that is determined to be eligible by the Department under this rule. RULE NO.: 6A-6.0961 RULE TITLE: Gardiner Scholarship Program

PURPOSE AND EFFECT: To propose changes related to the Scholarship Funding Organization's (SFO) administration of the Gardiner Scholarship Program and removal of language no longer addressed in corresponding statute. The rule is consistent with section 1002.385, F.S.

SUMMARY: Clarify that if a SFO returns funds for a student, the SFO must include the administrative fee if no reimbursements were made for expenditures that occurred in the fiscal year in which the scholarship was awarded. Clarify that a SFO is no longer required to provide a student's grade level in the quarterly reports that SFOs must submit to the department. Remove the complaint and inquiry provisions as it will be addressed in a separate rule that applies to all scholarship programs authorized under Chapter 1002, F.S.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION:

The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has not been prepared by the Agency.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: No requirement for SERC was triggered pursuant to section 120.541(1), F.S., and is not expected to require legislative ratification. There would be no economic impact from this amendment and the adverse impact or regulatory costs, if any, does not exceed nor would be expected to exceed any one of the economic analysis criteria set forth in section 120.541(2)(a), F.S.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

DEPARTMENT OF ENVIRONMENTAL PROTECTION

RULE NO.: RULE TITLE:

62-330.302 Additional Conditions for Issuance of Individual and Conceptual Approval Permits

Notice of Intent to Grant Variance

The Department of Environmental Protection gives notice of its intent to grant a variance under Section 403.201, F.S., from the provisions of paragraph 62-330.302(1)(c), F.A.C., to Charlotte County, 410 Taylor Street, Punta Gorda, Florida 22950 (File No. 08-0336110-003-EV), to allow for the dredging of access channels to the Gulf Cove residential community from the Myakka River, Class II, Outstanding Florida Waters, conditionally approved for shellfish harvesting, in Charlotte County. The variance is being granted because the petitioner has demonstrated the variance is necessary to relieve or prevent hardship. The Department’s file on this matter is available for public inspection during normal business hours, 8:00 a.m. to 5:00 p.m., Monday through Friday, except legal holidays, at the Department of Environmental Protection, 2295 Victoria Avenue, Suite 364, Fort Myers, Florida 33902, online at <http://depdms.dep.state.fl.us/Oculus/servlet/login>. or by telephone: (239)334-5600.

This action is final and effective on the date filed with the Clerk of the Department unless a petition for an administrative hearing is timely filed under Sections 120.569 and 120.57, F.S., before the deadline for filing a petition. On the filing of a timely and sufficient petition, this action will not be final and effective until further order of the Department. Because the administrative hearing process is designed to formulate final agency action, the hearing process may result in a modification of the agency action or even denial of the application.

A person whose substantial interests are affected by the Department’s action may petition for an administrative proceeding (hearing) under Sections 120.569 and 120.57, F.S. Pursuant to Rule 28-106.201, F.A.C., a petition for an administrative hearing must contain the following information: (a) The name and address of each agency affected and each agency’s file or identification number, if known; (b) The name, address, and telephone number of the petitioner; the name, address, and telephone number of the petitioner’s representative, if any, which shall be the address for service purposes during the course of the proceeding; and an explanation of how the petitioner’s substantial interests are or will be affected by the agency determination; (c) A statement of when and how the petitioner received notice of the agency decision; (d) A statement of all disputed issues of material fact. If there are none, the petition must so indicate; (e) A concise statement of the ultimate facts alleged, including the specific facts that the petitioner contends warrant reversal or modification of the agency’s proposed action; (f) A statement of the specific rules or statutes that the petitioner contends

require reversal or modification of the agency’s proposed action, including an explanation of how the alleged facts relate to the specific rules or statutes; and (g) A statement of the relief sought by the petitioner, stating precisely the action that the petitioner wishes the agency to take with respect to the agency’s proposed action.

The petition must be filed (received by the Clerk) in the Office of General Counsel of the Department at 3900 Commonwealth Boulevard, Mail Station 35, Tallahassee, Florida 32399-3000. Also, a copy of the petition shall be mailed to the applicant at the address indicated above at the time of filing.

Petitions for an administrative hearing must be filed within 14 days of publication of the notice or within 14 days of receipt of the written notice, whichever occurs first. Under subsection 120.60(3), F.S., however, any person who has asked the Department for notice of agency action may file a petition within 14 days of receipt of such notice, regardless of the date of publication. The failure to file a petition within the appropriate time period shall constitute a waiver of that person’s right to request an administrative hearing under Sections 120.569 and 120.57, F.S., or to intervene in this proceeding and participate as a party to it. Any subsequent intervention (in a proceeding initiated by another party) will be only at the discretion of the presiding officer upon the filing of a motion in compliance with Rule 28-106.205, F.A.C.

Under subsection 62-110.106(4), F.A.C., a person whose substantial interests are affected by the Department’s action may also request an extension of time to file a petition for an administrative hearing. The Department may, for good cause shown, grant the request for an extension of time. Requests for extension of time must be filed with the Office of General Counsel of the Department at 3900 Commonwealth Boulevard, Mail Station 35, Tallahassee, Florida 32399-3000, before the applicable deadline for filing a petition for an administrative hearing. A timely request for extension of time shall toll the running of the time period for filing a petition until the request is acted upon.

Mediation is not available in this proceeding.

The applicant, or any party within the meaning of paragraph 373.114(1)(a) or 373.4275, F.S., may also seek appellate review of this order before the Land and Water Adjudicatory Commission under Section 373.114(1) or 373.4275, F.S. Requests for review before the Land and Water Adjudicatory Commission must be filed with the Secretary of the Commission and served on the Department within 20 days from the date when this order is filed with the Clerk of the Department.

Once this decision becomes final, any party to this action has the right to seek judicial review pursuant to Section 120.68, F.S., by filing a Notice of Appeal pursuant to Rules 9.110 and 9.190, Florida Rules of Appellate Procedure, with the Clerk of the Department in the Office of General Counsel, 3900 Commonwealth Boulevard, M.S. 35, Tallahassee, Florida 32399-3000; and by filing a copy of the Notice of Appeal accompanied by the applicable filing fees with the appropriate District Court of Appeal. The Notice of Appeal must be filed within 30 days from the date this action is filed with the Clerk of the Department.

A copy of the Notice of Intent may be obtained by contacting: Jeannie Gerhart, Department of Environmental Protection, 2295 Victoria Avenue, Suite 364, Fort Myers, Florida 33902, Telephone: (239)334-5600, during normal business hours, 8:00 a.m. to 5:00 p.m., Monday through Friday, except legal holidays, or online at <http://webapps.dep.state.fl.us/DepNexus/public/electronic-documents>.
